TICKING AWAY THE MOMENTS TO MAKE UP A  
DULL DAY, YOU FRITTER AND WASTE THE  
HOURS IN AN OFFHAND WAY.

KICKING AROUND ON A PIECE OF GROUND IN YOUR HOME TOWN WAITING FOR SOMEONE OR SOMETHING TO SHOW YOU THE WAY.

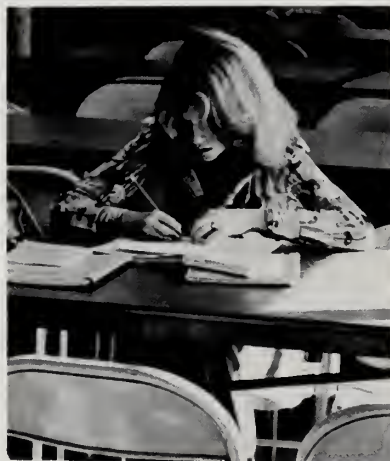

TIRED OF LYING IN THE SUNSHINE STAYING HOME  
TO WATCH THE RAIN, YOU ARE YOUNG AND LIFE IS  
LONG AND THERE IS TIME TO KILL TODAY.

AND THEN ONE DAY YOU FIND TEN YEARS HAVE  
GOT BEHIND YOU. NO ONE TOLD YOU WHEN TO  
RUN, YOU MISSED THE STARTING GUN.

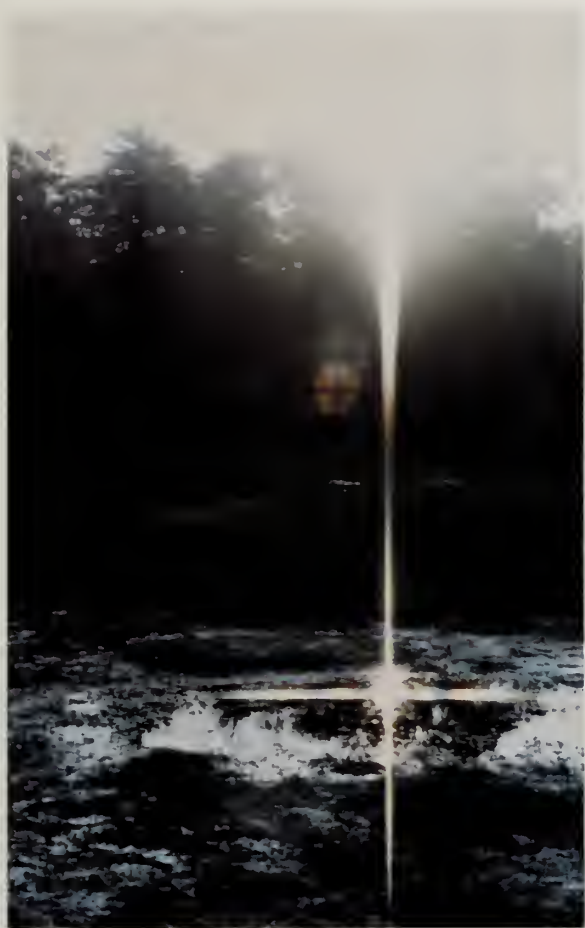

AND YOU RUN AND YOU RUN TO CATCH UP WITH THE  
SUN, BUT IT'S SINKING. RACING AROUND TO COME UP  
BEHIND YOU AGAIN.

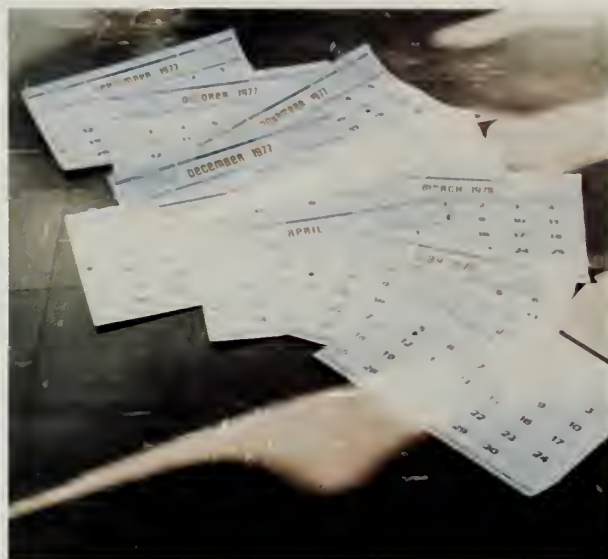

THE SUN IS THE SAME IN THE RELATIVE  
WAY, BUT YOU'RE OLDER AND SHORTER  
OF BREATH AND ONE DAY CLOSER TO  
DEATH.

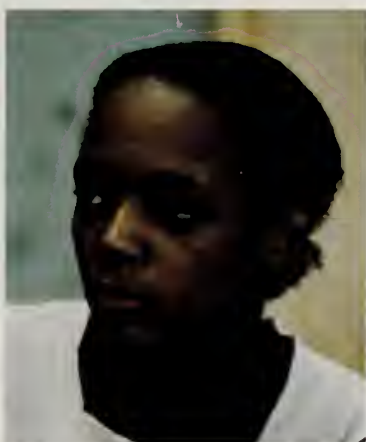

EVERY YEAR IS GETTING SHORTER, NEVER  
SEEM TO FIND THE TIME. PLANS THAT EITHER  
COME TO NAUGHT OR HALF A PAGE OF  
SCRIBBLED LINES

HANGING ON IN QUIET DESPERATION IS  
THE ENGLISH WAY. THE TIME IS GONE THE  
SONG IS OVER, THOUGHT I'D SOMETHING  
MORE TO SAY . . .

# DEDICATION

Many people think that one's high school years are the most important years. It is during these years we learn responsibility, cooperation, communication, and many other aspects of life. We, the class of 1978, have been lucky to share this part of our lives with a man who has given so much of himself to help us to learn these things. He has supported our class in more ways than anyone could ever realize.

Being class advisor in itself is a difficult job. It requires leadership, perseverance, understanding, and patience. These are a few of the virtues found in our class advisor.

We as a class, with patience and understanding, have learned to appreciate these virtues and have learned to live with and accept his unusual sense of humor over the four years. So, we would like to thank Mr. Greene for his time and energies with a dedication well deserved. We devote this year's Echo to him in honor of a friendship and in return for his efforts.

# A MESSAGE FROM OUR SUPERINTENDENT

To the Graduating Class of 1978:

As these pages unfold for the first time and as they open to us in future years; it is my sincere hope that your thoughts and memories of Holbrook High School will inspire you to continue a spirit of inquiry throughout your lifetime. It is vital that you achieve your own synthesis of ideas and insights by selecting, sifting, and weighing impressions and convictions obtained from first-hand experience, extensive reading, interaction with master teachers, and a sharing of thoughts and information with your parents, fellow students, and many other persons. Please remember that all of us learn from each other.

In my first months of service as your Superintendent of Schools, I perceive that Holbrook is a very special place indeed. There is an ever developing and increasing sense of community here that is very encouraging in a society that is sometimes intensely impersonal. Holbrook is not just another suburban community with an element of sameness, it is a place with many different styles of life and many different values. It is a place where I sense that people respect each other and grant each other the right of free expression which is so important in a truly democratic society.

May I offer warm congratulations to you as members of the graduating class of 1978 and may I also express the very same sentiment to your parents and guardians who have been a key factor in your efforts. I would like to express warm gratitude to the Holbrook School Committee, to the various Town Committees and to the citizens of the community in their support of public education as well. With the very best of good wishes to you, I remain.

Very sincerely yours.

On this special day we pay tribute to our football team and choose a Homecoming Queen from the Senior class. The Queen is chosen on the basis of beauty, inside and out. This year's Queen was Denise McDonald.

The players truly tried their hardest and we gratefully appreciate their efforts.
